

# PRODUCT DATA SHEET

## Iris Table Lamp

Designed for warm, atmospheric spaces

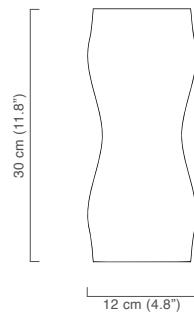

Iris is a tall, flowing form that features vertical, rhythmic lines. The lamp's wave-like shape means it has a different visual expression from every viewpoint. When illuminated, the delicate curves produce a dynamic play of light, giving the space a gentle, architectural sense.

### Product Details

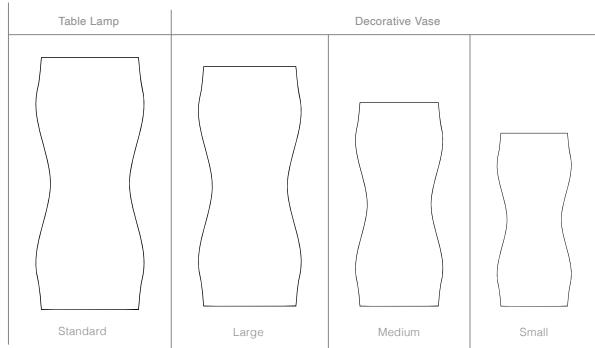

Product Type	Table lamp, lighting
Environment	Indoor
Designer	Sinan Kaya, 2024
Country of Origin	Turkey
